

Wellington Sexual Abuse HELP Foundation

Volunteer Board Member Vacancy

Wellington Sexual Abuse HELP (Wellington HELP) provides support to individuals, whānau and communities impacted by sexual harm across Wellington, Porirua and the Kāpiti Coast.

Sexual harm can affect anyone. That's why Wellington HELP offers support to all survivors, regardless of age, gender, or sexual orientation. We also recognise the wider impact on whānau and extend our services to them. Our wrap-around approach includes a 24/7 crisis support line, counselling, social work, and community education, all delivered with compassion and expertise by our dedicated team.

Wellington HELP has been serving the Wellington region for over 40 years. Following recent Board resignations, we are seeking a new Board member to help guide and strengthen our organisation.

We are looking for a values-driven, strategic thinker with governance experience to join our Board. If you're passionate and interested in this sector and have experience in governance, can offer sound oversight, we would love to hear from you.

This is an opportunity to make a meaningful contribution to our mahi that truly matters—supporting survivors and helping shape a more trauma-informed community.
